

FURY

HSOC

High Surfactant Oil Concentrate

GENERAL INFORMATION

Fury is a highly concentrated blend of quality modified vegetable oil and surfactant blend. Fury is a 60% proprietary blend of free fatty acids, modified vegetable oil High Surfactant Oil Concentrate (HSOC). We maintain a high load 40% surfactant content. With this increased surfactant amount, water spreads and efficiently sticks to plants. This concentrated formula can be used at reduced rates to traditional crop oil concentrates. Fury is specifically designed to benefit many pesticide applications with a high content of non-ionic surfactant.

Fury may be used in place of nonionic surfactants, High Surfactant Crop Oil Concentrates (HSCOC), or High Concentrate Crop Oil Concentrates (HCOC) in liquid spray mixtures. When used as directed, Fury maximizes certain pesticides; always read and follow label recommendations and take special care with sensitive crops during periods of drought stress, high temperatures or high humidity.

PRECAUTION

Harmful if inhaled or absorbed through skin. Avoid contact with skin, eyes, or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. PERSONAL PROTECTIVE EQUIPMENT: Wear chemical-resistant gloves, long-sleeved shirt and long pants, socks and shoes.

DIRECTIONS FOR USE

Mixing Instructions: Start with a clean spray tank. Fury should be added to the tank according to mixing order recommended on the pesticide product label. Agitate while mixing and during spraying. Generally add Fury after pesticides have been added and thoroughly mixed.

Buyer agrees that sellers maximum liability shall not exceed the purchase price of this product.

FIRST AID

IF ON SKIN OR CLOTHING: Wash off with soap and plenty of water.

IF IN EYES: Rinse thoroughly with plenty of water, also under the eyelids.

IF SWALLOWED: Clean mouth with water and afterwards drink plenty of water.

IF INHALED: Move to fresh air in case of accidental inhalation of vapors or decomposition products.

CAUTION: KEEP OUT OF REACH OF CHILDREN

May cause skin and eye irritation. Avoid eye and skin contact. Do not take internally.

WARNING

May cause eye irritation.

NET CONTENTS:

2.5 U.S. GALLONS (9.46 L)

RATE OF FURY

- Follow herbicide label recommendations for adjuvants.
- 8-32 oz/acre or .25-1 percent by volume a replacement for nonionic surfactants and COC's.
- Use the higher end of use rates when conditions are hot and dry.

Important: This product has demonstrated excellent plant safety; however, not all species and varieties have been tested. Before treating a large area, treat a small area and observe prior to full scale application.

INGREDIENTS:

Modified Vegetable Oil, Free Fatty Acids.....60%
Surfactant.....40%
Total.....100%
