

J-LINE

Nitrogen Stabilizer & Nitrification Inhibitor

DIRECTIONS FOR USE

J-Line use rates are based on average soil conditions. Rates may be adjusted based on field conditions.

APPLICATION RATES

UAN

J-Line can be blended with UAN in storage tanks or just prior to application. Recirculate UAN in storage tanks prior to use if preblended.

UREA

Applicators must wear proper PPE as indicated above. Use a fertilizer blender or other suitable rotary device when blending urea with J-Line. Ensure that all blender surfaces are clean and dry. J-Line must be applied and blended with urea first before blending with other fertilizer. Allow sufficient time to produce a uniformly blended product. Dye is added to J-Line to aid in determining uniformity of application.

USE RATE PER TON FERTILIZER

Urea	1-3 qts/ton
UAN	1-3 qts/ton

When conditions favoring volatility exist, or when longer control is needed, the rate may be increased by 1 qt/ton.

PRINCIPAL FUNCTIONING AGENTS

- Proprietary solvent blend of dicyandiamide (DCD), N-(n-butyl) thiophosphoric triamide (NBPT).
- Supplied as a 20% by weight N-(n-butyl)thiophosphoric triamide and 20% by weight dicyandiamide.

FIRST AID

IF SWALLOWED: Drink 8 – 16 ounces of water if conscious. Call a physician or poison control center immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing and immediately call a poison control center or physician.

IF ON SKIN: Wash affected skin with soap and water. Remove contaminated clothing and launder clothing before reuse.

IF INHALED: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen and call a physician.

PRECAUTIONARY STATEMENTS

Read label before use. Wear protective face and eyewear, clothing and gloves. If medical advice is needed, have product container or label at hand. Avoid contact with eyes, on skin or clothing. Avoid breathing vapors or spray mist. Remove and wash contaminated clothing before reuse. Wash skin thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Do not handle until all safety precautions have been read and understood. See Safety Data Sheet for further details regarding safe use of this product.

STORAGE AND DISPOSAL

Store product locked up in original container in a dry and well ventilated area. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Store product between 32° and 100°F (0° and 38°C). Avoid long-term storage at high temperatures. Product will degrade if stored at temperatures above

100°F. Do not reuse product containers. Triple rinse (or equivalent) and add rinsate to spray tank. Offer rinsed container for recycling at an ARC site (go to www.acrecycle.org for locations) or by reconditioning or puncture and dispose of in a sanitary landfill or by other procedures approved by local, state, and federal regulations.

WARRANTY—CONDITIONS OF SALE

OUR DIRECTIONS FOR USE of this product are based upon tests believed reliable. Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the Seller. To the extent consistent with applicable law, Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. To the extent consistent with applicable law, in no case shall the Manufacturer or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product when such use and/or handling is not in strict accordance with directions given herewith. The foregoing is a condition of sale by the Seller and is accepted as such by the Buyer.
